

Position: Database Administrator
Department: Information Technology
Job Status: Full-Time
Reporting to: Applications Manager
Location: Karndean US Export

Summary:

Karndean Designflooring is a dynamic, growing manufacturer and distributor of luxury vinyl flooring. Our mission is to be the leader in luxury vinyl flooring by providing best-in-class products and service.

Essential Duties and Responsibilities:

- Develop and maintain database solutions using SQL programming, including designing, writing, and optimizing SQL queries and stored procedures.
- SQL Server database services covering SQL Server, SSIS, SSRS.
- Troubleshoot and resolve database-related issues, such as data integrity, performance bottlenecks and query optimization.
- Manage data integrations between all business applications (CRM, ERP, Supply Chain Planning, EDI)
- Perform the upgrades on the databases to the current versions.
- Manage data backups and recovery procedure.
- Evaluate/Troubleshoot system performance and make technical recommendations to resolve any legacy report performance issues related to Tableau, SSRS, ETL and SSIS packages.
- Create and maintain documentation related to database design, schema and dataflow. data migration, integration, and transformation activities.

Skills and Qualifications:

- Strong proficiency in SQL and relational databases for data manipulation and querying.
- Strong knowledge of SQL Server, SQL Integration Services, and SQL Reporting Services
- Experience building data products incrementally and integrating and managing data sets from multiple sources.
- Experience with ETL processes and data integration.
- Understanding of moving data with flat files and XML files.
- Excellent communication and collaboration skills.

Education and/or Experience:

- Bachelor's degree in Computer Science, Engineering, a related field, or comparable work experience
- 4+ years working with SQL Server.
- Experience with Microsoft Dynamics 365 and ERP software a plus.

If you would like to apply for this opportunity, please email your resume and a cover letter to humanresources@karndean.com.

Karndean Designflooring creates premium-quality luxury vinyl tile inspired by wood and stone from around the world. In doing so, we offer customers the personal touch of a family-owned business – something we're proud to have been since the start in 1973.

Innovation, bold thinking and a trailblazing spirit are embedded in our DNA. They're what allowed founder Mike Walker to recognize the immense potential for luxury vinyl flooring long before others entered the market – and they're what allow us to continue delivering for customers today, with hundreds of products to beautify both residential and commercial
